

## CCB COVID-19 Student/Parent Agreement – Summer 2021

*We need everyone's help in continuing to create the safest possible environment at CCB. We are asking parents to please volunteer to act as "lobby volunteers." Please email us at [charmcityballet@gmail.com](mailto:charmcityballet@gmail.com) if you're willing to stay in the lobby during class.*

I want to do my part to help CCB keep myself, my child(ren), other dancers, the instructors, other families, and everyone else at the studios as safe as possible during the Covid-19 pandemic and beyond it. I have read, understood and agree to follow the following policies and procedures.

### I understand and agree that:

- I will drop my dancer off and pick them up at the designated entrance to the studio. (Detailed info will be emailed and can also be found at <https://www.charmcityballet.com/drop-off-pick-up-procedures>) If I drive myself to the studio, I will follow all entry/exit procedures.
- The CCB lobby will remain closed. For younger dancers, please let us know ahead of time if you must accompany your child into the building. Only one parent or nonparticipating individual will be allowed to enter the building at the main entrance for drop off of younger children.
- All people, regardless of age or vaccination status, are required to wear a mask when in the facility.
- I will arrive, or I will have my dancer arrive, dressed and ready for class as the dressing rooms will be closed. (Bathrooms are available.)
- I am aware that the water dispenser will be closed.
- I am aware that I/my child must wear a mask at all times at CCB. I also understand that outdoor breaks (without masks required) will be given when necessary.
- I will support the social distancing standard of at least 6' outside and inside the facility (and educate my child on this protocol).
- Class times have been adjusted to ensure time for the dancers to get in and out of the studio without a crowd, to provide time to wipe down the equipment between each class and for teachers to thoroughly wash their hands.
- I/my dancer will have regular opportunities to use their hand sanitizer, starting with prior to entering the building.
- I/my dancer will use the restroom and wash their hands thoroughly before leaving home and while at the studio as needed.
- I/my dancer will bring a clearly marked dance bag to the studio each day with all recommended items included. Items include: hand sanitizer, yoga mat, extra mask, tissues, water bottle, dance shoes, and other class items.
- I will, or I will have my dancer, wash hands and feet thoroughly upon arriving back home and my, or their, bag and items in the bag will be cleaned upon arriving home and again before I, or she/he, brings it back into the studio.
- I agree to stay home, or keep my dancer home, if they are not feeling well or anyone in the household has any Covid-19 symptoms such as coughing, has a temperature over 100 degrees, fever, chills, body aches, sore throat.
- I understand and agree that if I, or my child, tests positive or is knowingly exposed to Covid-19, I/my child must perform a 2-week self-quarantine (or produce a negative

Covid-19 test at least 5 days or more after exposure) and I/my child will not be allowed to take in-studio classes during this time. Students may take classes virtually during this time period. (CCB COVID-19 Protocols can be found here: <https://www.charmcityballet.com/covid-protocols>)

- I understand that at any point, due to a mandate or otherwise, CCB has the right to switch in-studio classes to virtual classes via Zoom. In this situation, tuition will not be refunded.
- I understand and agree that these procedures may change and evolve over time and that I will follow any new standards required by the State of Maryland and/or CCB.
- I understand that the instructors and everyone at the studio will make a strong effort to maintain social distancing but that there will be times when incidental contact and less than prescribed physical distancing will occur.
- I further understand that I am voluntarily choosing, or allowing my child, to participate in programs and activities offered by CCB knowing that even with increased sanitation and enhanced hygiene protocol, it is impossible to provide a completely sterile environment so the risk of Covid-19 exposure and other viruses may exist. I accept that risk.
